NO PAVING TO BE DONE TILL SPRING

Tenth Street Contract to be Held Up by Council, According to Report

MEETING ON WEDNESDAY

The chances are that Tenth street will not be paved this fall between McKean avenue and Lincoln avenue, but will be allowed to go over till next spring.

Borough council passed an ordinance sometime ago authorizing the paving of this piece of street and instructed Borough Clerk Ira L. Nickeson to advertise for bids. The bids were advertised for with the result that there were three bidders.

Friday night, October 16 borough council met and after going over the bids awarded the contract to Hastings and Piper, the highest bidders. Monday, October 19, the contract was presented to Burgess S. L. Woodward for his signature. He refused to sign it.

Property owners living on Tenth street also filed with the borough clerk a protest against the contract being awarded to Hastings and Piper when there were lower bidders. No action has been taken by council and the matter will come up for consideration at the meeting of council next Wednesday night.

D. R. Davall president of council when asked about the matter gave as his opinion that the paving would go over till spring. It is said a majority of the members of council are in favor of abandoning this piece of paving for the present. If this paving is not done this fall no more paving will be undertaken before spring.

You cannot well afford to miss hearing these speakers. 100-42

Charles Van Voorhis and David Hosack Return From Hunting Trip

ON VESSEL THAT ENGLISH CAPTURE

Charles VanVoorhis of Charleroi and David Hosack of Scenery Hill, returned this morning from a hunting trip in Cameron county with a good supply of game. They brought back two large bears, weighing about 165 and 135 pounds, respectively, 60 pheasants and 18 gray and black squirrels.

VanVoorhis and Hosack went to Cameron county about ten days ago with Kerfoot W. Daly, Tom P. Sloan, and Harry W. Scott. The three last named returned last week each bringing home a bear.

Carl Behrendt of Charleroi and Bride Have Difficulties in Sea Travel

Bringing with him a bride, Carl Behrendt of 218 Third street, returned to Charleroi Tuesday from Germany where he has spent a few months. The couple experienced considerable difficulty in their trip from Germany to the United States.

Mr. and Mrs. Behrendt and Mrs. Behrendt's daughter Elizabeth sailed from Germany, October 1 on the ship Rotterdam for Rotterdam, Holland. The vessel was captured by a British ship and held until October 15. It was held because of the cargo of copper which was on board. The Holland minister had to explain to the English government that the ship was bound for Holland and not for Germany as the British believed, before they would release the ship. The remainder of the trip was easy.

MAKES AFFIDAVIT TO ABSTAIN; HIS LICENSE SAFE

At a hearing Wednesday evening before Alderman Elwood at Monongahela William Curry of Elizabeth, who was arrested while driving an automobile, in an intoxicated condition, took an affidavit that he would never drink again and paid a fine and costs amounting to \$107.41. The case was held over.

Monday afternoon Curry drove into Monongahela in a machine belonging to G. W. Moseley of Dravosburg. He was drunk and under a charge to this effect was promptly taken into custody. For this offense under ordinary circumstances Curry would be required to give up his license to drive a car; but, having pledged himself to endure eternally the pangs of alcoholic thirst he will be permitted to drive the car.

TWO FATALITIES FROM DIPHTHERIA

Second Member of One Family Dies This Morning From Disease

CONTAGION EXISTS

With the death of Helen the three year old daughter of Mr. and Mrs. Andrew Letoski, of 838 Crest avenue this morning at 11 o'clock, two deaths have occurred in the Letoski family from diphtheria in less than a week. Three more of the Letoski children have diphtheria at the present time. One of them a girl 13 years of age is in a dangerous condition. The mother is sick in bed.

Michael Letoski, the 15 year old son died last Sunday morning. Charleroi now has three cases of diphtheria and two cases of scarlet fever. This is the first time that either of these diseases has found a foot hold in the town for many months.

Two cases of scarlet fever have developed in the family of Andy Lhotzki at house No. 6 in the brick row. There are nine persons living in the house. One of the diphtheria patients and one of the scarlet fever patients are said to be in a serious condition.

The authorities believe that they will be able to stop these diseases before they get a foot hold in the community. Health Officer W. M. Darby has had some difficulty to get the friends of the Letoski family to observe the quarantine. He had four persons arrested for entering the house about the time of the death of the boy. Three of them were fined and one was released with a reprimand.

NEW YORK PAPERS PREDICT RESULTS

New York Herald and New York World Declare That Republicans Will Win

When the New York World, Democratic and the New York Herald, Independent settled once and for all, candidate, the question is generally considered settled, once and for all, particularly when that candidate is a Republican.

Therefore, the fact that both the World and the Herald frankly state, following a careful poll of the entire state of Pennsylvania, that John Boies Penrose and Dr. Brumbaugh will be elected by a decisive majority, there is little room left for argument.

The Herald not only concedes a Penrose victory but goes further and declares that the Washington or Progressive party has become such a negligible quantity as to be practically reckoned as no factor whatever in the running this year. Out of the 36 congressmen to be elected in the state this year the Herald says 25 will be Republicans and 6 Democrats. Fulfillment of this forecast would reduce the present Democratic representation in the lower house from 14 to 6 and eliminate the Progressives entirely and increase the Republican representation from 17 to 25. The Herald says:

"The fight in Pennsylvania has dwindled down to a discussion of pluralities. When Senator Boies Penrose's election conceded by all serving politicians, it is certain that four Republican representatives at large will be elected, it being expected that they will run ahead of Mr. Penrose. 101-tl

TWO YOUTHS FACE BURGESS THEN THE JUSTICE OF PEACE

"Red" McDermott and Harry C. McDermott, two brothers arrested Wednesday night about 11 o'clock on McKean avenue following an altercation with Lawrence D. Moore in which Moore received a black eye, a cut over the eye and had his front teeth loosed, were given hearings Thursday night. They were given a hearing before Burgess S. L. Woodward on the charge of drunkenness and disorderly conduct by fighting. He assessed a fine of \$1 and costs to each of them.

Chief-of-Police C. W. Albright then took them before Justice of the Peace Harry W. Scott, where "Red" McDermott was charged with resisting arrest. He received a fine of \$20 and costs or 60 days in the work house. Harry C. McDermott was charged with interfering with an officer. He was given a fine of \$10 and costs or 30 days in the work house. If they do not produce the money today they will be taken to the workhouse Saturday morning.

BENTLEYVILLE

Place Changed.

The folk in charge of the taber-
nacle services to be held soon in
Bentleyville have changed the location
from that of W. F. Richardson's barn
yard to that of a better position. The
new position will be a lot belonging
to Dr. Alexander N. Booth in the
Frye plan of lots. The new location
will also be convenient to the
street car station at Washington
street. Already teams have brought
some of the structure from Ten Mile
to the place of erection here. The
committee in charge of erection hope
to be able to begin the actual con-
struction no later than Monday, No-
vember 2. The time has also been
changed from 8:00 p. m. to 7:30 p.
m., the latter time being thought
more desirable.

Steals Coal—Arrested.

George Pollack, an employee of the
Pittsburg and Westmoreland coal
company was arrested for stealing
coal at the company's plant upon in-
formation made by the company's
superintendent, Thomas H. Tudor.
George found coal to be rather expen-
sive at this rate, for he was forced to
pay ten dollars and costs. It is thought
that this will put a stop to the grow-
ing tendency on the part of several
to steal coal during the winter. The
railroad has also prohibited the gather-
ing up of lumps that fall from the
coal trains.

Hallowe'en in Bentleyville.

Preparations are being made in
Bentleyville by different societies and
orders for a grand Hallowe'en. Sev-
eral dances will be held, a masked ball

own hall. A parade will also be ma-
terialized.

To Play Beallsville.

Saturday the Bentleyville first team
will clash in a fierce gridiron contest
with the Beallsville eleven. The
Beallsville boys are known as the
"Collegians" and have met with
wonderful success during the sea-
son. Both are determined and a fast
and hard game is predicted. The
game will be played on the Bentley-
ville ball park.
